OFFICE OF THE STATE ENGINEER

**REGARDING PERMIT NUMBER: 24696
AFFIDAVIT OF WITHDRAWAL OF WATER RIGHT IN FAVOR OF
USE OF WATER FOR DOMESTIC WELLS CREATED
BY SUBDIVISION OR PARCELING OF LAND**

State of Nevada)
 :SS
County of Douglas)

I, ROBERT G. WILLIAMS and MARTHA WILLIAMS, as Trustees of the Robert and Martha Williams Trust dated November 4, 1993, do hereby swear under penalty of perjury that the assertions of this affidavit are true.

1. The Robert and Martha Williams Trust dated November 4, 1993 is the owner-of-record of a portion of Permit No. 24696, Cert. 8284, as indicated in the records of the Nevada State Engineer.

2. I do hereby withdraw an amount of water equivalent to: 2.02 acre feet seasonally from the water appropriated under Permit 24696, Cert. 8284. The water right or portion of water right withdrawn was appurtenant to the land more particularly described as follows: 0.505 acres within a portion of the W1/2 SE1/4, SE1/4SE1/4, Sec. 31, T 14N., R20E., MDB&M., Douglas County, Nevada.

3. This withdrawal of the water right or portion of the water right is for the purpose of having sufficient water available to supply the domestic well of a home or homes located at the place described below and reflected on the attached map:

4. I understand that this withdrawal of a portion of Permit 24696, Cert. 8284, must be approved by the Nevada State Engineer in order for this withdrawal to become effective and enforceable.

5. I understand this withdrawal shall become effective upon the date approved by the State Engineer. However, if a final subdivision or parcel map is not recorded in the office of the county recorder of the county wherein the land division is located within 18 months after the State Engineer's approval the base right holder may petition the State Engineer to void this withdrawal on the basis that all proceedings concerning the division of land have been terminated.

6. I understand once this water right or portion thereof is withdrawn based on the recordation of a final subdivision map recorded in the office of the county recorder of the county wherein the land division is located, as provided in NRS 278.380 (1993). Or in the case of a final parcel map as provided in NRS 278.4725 (1993), the process cannot be reversed nor can I claim the water withdrawn as a water right.

7. Upon approval of this withdrawal by the State Engineer, I shall record this Affidavit of Withdrawal in the office of the county recorder of the county in which the final subdivision or parcel map is recorded. I shall also record this Affidavit of Withdrawal in the office of the county in which the old place of use was located, if it is not the same county.

8. I shall provide the State Engineer with a certified copy of the recorded Affidavit of Withdrawal within thirty (30) days of recording the Affidavit with the county recorder.
